Declaration Letter

To Whom It may Concern

We, **BLUECOM Co., Ltd.** hereby declare following mentioned product that PCB board, circuit, hardware version, software version, and Internal Photos are same. The FCC ID is located on the side of the silk print, not the label.

Product Name: BCS-T90

Basic Model Name: BCS-T90

Additional Model Name: None

Differences:

The BCS-T90 can operate either as a pair of left / right or as a single unit. So the circuit and software are the same. However, for the convenience of the manufacturer in the production process, the PCB color to distinguish the left and right is different. Green color is on the left, and Blue color is on the right.

Sincerely,
